## Registration Now Open as ISSA Show Canada Web Site Goes Live

**Northbrook, IL, USA – April 1, 2019**—ISSA is pleased to announce the [ISSA Show Canada 2019 web site](#) is now live, and registration for the new and unique trade show and conference is open to delegates.

Being held June 11-13, 2019, at the Metro Toronto Convention Centre at 255 Front St. W. in downtown Toronto, ON, Canada, ISSA Show Canada is the result of a partnership between ISSA, IFMA and MediaEdge's Real Estate Management Industry (REMI) Network. Designed to provide a platform to connect like-minded industry professionals focussed on keeping buildings clean, green and operating in a sustainable and energy-efficient manner, the trade show will be held in tandem with the REMI Show whose delegates include building owners and managers.

"It's been exciting for me to see this powerful joint venture between ISSA, IFMA and the REMI Network take shape and come to life," said ISSA Canada Executive Director Mike Nosko. "We're staging this world-class event in a world-class city, and we've worked hard to ensure it embraces the shared goals and priorities of Canada's cleaning professionals, as well as real estate development, occupancy, management and maintenance personnel."

The trade show floor will be comprised of a complete continuum of resources designed for the "built environment." From sanitary maintenance products to HVAC, office furnishings, electrical and building products to security, financial and IT services and systems, all the pieces of the puzzle will be assembled under one roof and showcased by over 100 exhibitors.

In addition to the trade show, a host of educational sessions and certification workshops are planned to further enhance the attendee experience. Top-notch presenters will reinforce best practices and tackle the most challenging issues including minimum wage adjustments, infection control, strategic business practices, and much more. Delegates will also have an opportunity to become certified through ISSA's industry leading certification programs, namely the [CMI Accredited Auditing Professional \(AAP\)](#) and [CIMS ISSA Certification Expert \(I.C.E.\)](#) workshops.

Choose from a Two-Day Delegate Registration or a One-Day Delegate Admission, and obtain full access to all show education sessions, the trade show floor, coffee breaks, water stations, and lunch opportunities. One-Day Delegate Pass Holders for Wednesday, June 12 will also receive full access to the trade show floor reception (3:30 to 5 p.m.) and the All-Industry Reception (5 to 7:30 p.m.) being held that day.

"Please take a look at the ISSA Show Canada website to see for yourself how this special event can boost your business," Nosko said. "Or better yet register, and prepare to meet new friends, discover new resources, learn about what's trending and discover how to be more successful tomorrow."
